

High Sierra Resources Workshop Sponsorship Form

A \$100 registration fee is required on acceptance to a workshop session. Students selected to participate in the High Sierra Resources Workshop are asked to secure a sponsor to pay the registration fee. In return, the student prepares a slide show, talk or news media report for the sponsor after the workshop.

Finding a sponsor helps students attend the workshop without cost, but it also let the community know about this special opportunity for youth to learn about making responsible natural resources decisions. Sponsorship gives the student an opportunity to share the experiences and lessons learned with the community.

Workshop participant's name _____

Sponsor _____

Sponsor's address _____

Contact name and phone number _____

Type of report planned _____

Scheduled date of report _____

Make check payable to Nevada Natural Resource Education Council or NNREC. Mail this form with the \$100 registration check to: U.S. Forest Service, Attn: Steve Hale, Carson Ranger District, 1536 S. Carson St., Carson City, NV 89701-5291.
